

Sue Hameed

"I celebrate every member's success as a collective achievement, reinforcing our shared commitment to each other's progress."

TEC Small Business Chair
Ottawa, ON

Hello!

I am dedicated to creating a nurturing environment that promotes engaging and valuable discussions, aimed at facilitating both personal and professional growth. In our community, I celebrate every member's success as a collective achievement, reinforcing our shared commitment to each other's progress.

My journey in the business world began at an early age, growing up in a family business where I learned the ropes of entrepreneurship and the dedication it takes to succeed. Building on this solid foundation, I established my own mortgage brokering business from the ground up, transforming it into a thriving enterprise. My firsthand experience in overcoming challenges and achieving business success has made me a trusted advisor to many.

Throughout my career, business owners from various industries have reached out to me for guidance. These interactions have been incredibly rewarding and have highlighted my natural ability to mentor and lead. As a TEC Chair, I am excited to bring together a peer advisory group of top business owners, fostering a community where members can share experiences, support each other, and achieve significant growth.

I find profound fulfillment and joy in guiding others, drawing on my entrepreneurial experiences to foster both personal and professional growth. Helping business owners navigate their unique paths and being a part of their success deeply enriches my life. I am committed to ensuring that every member of the TEC community experiences the same sense of achievement and progress that has defined my own journey.

On a personal note, my husband and I share a joint passion for entrepreneurship and growth, and we have two wonderful children. I am constantly involved in various charitable initiatives, dedicating my time to helping those less fortunate and in need.

My TEC Group Vision

To be the leading community where business leaders converge to achieve breakthrough growth and success. We envision a collaborative space where every business owner feels empowered and supported, leveraging shared wisdom and experiences to excel both personally and professionally. Our aim is to foster a legacy of leadership excellence and innovation, inspiring members to transcend traditional boundaries and achieve their fullest potential.
