

WORKSHOP SPEAKERS

Are you are looking for an opportunity to expand your speaker experience, get involved in the growth of the organization, and use your skills to contribute in helping leaders achieve personal transformation, leadership excellence and enterprise success?

OPPORTUNITY

We are seeking several Speakers to help design and facilitate workshops for our Small Business members within the knowledge of small business finance, operations and business development. This curriculum based format will help communicate and connect the key components in taking a small business to the next level of success. The positions will be held locally within major cities across Canada such as Vancouver, Edmonton, Calgary, Regina, Saskatoon, Winnipeg, Montreal, Ottawa and Toronto.

This opportunity will help develop a library of knowledge for our members and exposure for the Speaker to thousands of organizations across Canada.

DESIRED SKILLS & EXPERIENCE

- Minimum 3-5 years in designing and delivering curriculum based workshops (Up to 3 hours).
- Speaking experience; Keynote, conferences and/ or symposiums is a desired asset.
- Consulting experience with proven ROI.
- Must have Small Business experience whether as an owner, creator or built up from within.
- Degree/Diploma; CPA (CMA, CGA, CA), Human Resources, Supply Chain, Lean Six Sigma, Marketing, Finance/Accounting, and Business Development.
- High level of professionalism and ability to work with high-caliber executives.
- Knowledge of building workbooks and educational material for adult learning.
- Ability to build short and long term curriculum planning.
- Desire to give back.

COMPANY OVERVIEW

TEC Canada is a member-based community of over 1100 chief executives, entrepreneurs and business owners from across Canada. We have a 30-year track record of helping leaders stretch beyond individual capabilities to achieve personal and professional goals through the power of confidential group meetings, one-to-one executive coaching, business thought leadership and a global network of over 20,000 business leaders.
