

REGISTER NOW! TEC Experience November 25, 2021

TEC brings together the best business leaders and the brightest minds to go beyond individual capabilities, achieve more and see farther.

We know you're facing unprecedented challenges. In this invitation only session you will get to work on your most pressing challenges and opportunities with other CEO's in a confidential, non-competitive environment. This will give you the chance to tap into the incredible power of the Peer Advisory Model. Discover how collective intelligence as part of a peer advisory group will improve your decision making in your business and personal life.

TEC Canada is designed to help you grow beyond technical knowledge and enhance your leadership skills. This is your chance to learn about our programs.

Don't miss your chance to experience the power of peer advisory.
