

TEC INSIDE

TECCANADA

Help your company grow together

TEC Inside is a customized and unique approach to developing your high potential leaders and accelerating their growth as a team. Leverage core strengths and individual talents to get from where you are now to where you want to be as a company. Break down departmental silos, improve team collaboration and cultivate professional development by bringing the power of TEC into your organization.

The TEC Inside group is designed for organizations that want to grow together as a team by developing their key leaders within the company. TEC Inside members will receive:

- » Thought leadership from international expert speakers that is relevant to today's business issues
- » Confidential group meetings with 12 – 18 members of your senior leadership team representing all major departments
- » Personal one-to-one coaching sessions for each member with a trusted advisor
- » Global network of over 24,000 members worldwide that are committed to business growth and personal development

What you can expect from TEC Inside

Further develop a high functioning, engaged and effective leadership team

Equip your key leaders with the tools and resources to take their skills to the next level

Align the organization to achieve strategic objectives

Streamline operations for increased efficiency and profitable growth

Strengthen company morale and accountability

Standard program: 11 group meetings, 11 one-to-ones with TEC Chair, 7 speaker sessions. Can be customized.

Grow together. Bring the power of TEC into your organization.

Join over 1,800 other Canadian businesses who are members of TEC. Discover how our proven process of combining peer groups, experienced Chairs, expert speakers and a global network will strengthen you as a leader and your company as a whole.
