

TEC KEY EXECUTIVE

Take your leadership to the next level

All leaders need to evolve. Through TEC Canada's KEY Executive group, you will improve your leadership performance and build the skills necessary to overcome both personal and business limitations. Designed with the specific needs and challenges of senior executives in mind, this program will give you and your company a competitive edge in an increasingly global business world. With over 1,800 members across Canada, you'll be connected with a network of like-minded executives providing insights and solutions to help you grow as a leader. You'll be amazed at what you can achieve when you expand your knowledge and strategic capabilities.

TEC's KEY Executive is tailored to the unique needs of senior executives. KEY Executive members will have access to:

- » Confidential group meetings with 12-16 senior executives that meet for a full day, once a month
- » Thought leadership from expert speakers that is relevant to today's business issues
- » Global network of over 24,000 members worldwide that are committed to business growth and personal development
- » Optional one-to-one executive coaching sessions with a trusted mentor
