

TEC CHIEF EXECUTIVE

Evolve your leadership

TEC CEO Program is designed for chief executives, presidents and leaders of larger enterprises with a vision and drive to develop sustainable businesses in our global economy.

Champion innovation and collaboration within your organization while strengthening your leadership abilities.

Harness the power of business connection

TEC Canada's proven process has helped thousands of executives and business owners make better decisions for over 35 years. We offer a peer advisory board supported by one-to-one coaching, expert speakers, fast-paced learning and global networking. It all adds up to the most comprehensive executive and leadership development program in the industry.

TEC's CEO program includes 12 sessions led by an executive coach and trained facilitator, including up to 8 half-day workshops with expert thought leaders who will target content to meet the growth needs of the members.

Monthly one-to-one confidential meetings with your TEC Chair will help you uncover and better address personal and professional issues, challenges and opportunities.
