TEC Small Business Chair
Greater Vancouver Area, BC

Hello!

I am a seasoned entrepreneur with over 30 years of experience in the business world. I have built a solid reputation around my passion for helping entrepreneurs and business leaders succeed in their respective industries. As a TEC Canada Chair, I am committed to sharing my tools, knowledge, and expertise to foster the growth of businesses and support the success of entrepreneurs and business leaders.

Throughout my career, I've had the privilege of leading businesses across two continents, managing operations in diverse areas such as distribution, retail, import/export, service, training, and coaching. As a result, I have a wealth of experience in building successful companies from the ground up. One of my proudest accomplishments has been breaking new ground in entrepreneurship, particularly as a female business owner during a time when such representation was scarce. My unwavering determination and entrepreneurial spirit propelled me to introduce unknown products to the market, including the 2016 expansion of the presence of Contour Wrap and Eurowave to over 700 locations. These efforts garnered significant exposure at high-profile events like the Oscars, Emmys, and Canadian Music Awards, along with media coverage in TV and publications.

Inspired by my mother, a fellow entrepreneur, I learned early on the power and fulfillment of overseeing one's destiny. With a supportive family behind me, I continue to pursue my passion. Now, I am excited to witness my children and grandson share the dream of becoming entrepreneurs.

As a TEC Chair, my goal is to leverage my extensive entrepreneurial expertise and industry knowledge to benefit the Vancouver area. I am eager to connect with members of my TEC group, empowering them to reach their full potential and achieve their goals. With a deep passion for entrepreneurship and a commitment to helping others succeed, I am enthusiastic about making a positive impact in the local community.

On a personal note, I find joy in being outdoors, especially in nature and sunshine. While Vancouver holds a special place in my heart, my favorite retreat is Maui, where I cherish moments like hiking the volcano, listening to the rain, hearing the waves crashing on the beach, and watching the glorious sunsets.

My TEC Group Vision

A diverse meld of business leaders eager to grow professionally and personally. Leaders who flourish when sharing experiences and helping others, as we walk together on this exciting journey of business.
