TEC CEO Chair, TEC Small Business Chair
Regina / Saskatoon, SK

Hello!

Throughout my career as a business journalist and media expert, I have been recognized as a strong advocate for Saskatchewan businesses. Consistently promoting the province's business community, my goal has been to advance it as a key source of some of the world's most sought-after resources.

As Principal of a successful marketing and public relations consultancy, I bring expertise and knowledge from being an entrepreneur to my groups. My members, who are all successful business leaders, play a significant part of the TEC community. Together, our cumulative corporate wealth represents more than \$50 billion in assets and employ more than 100,000 Canadians. As a TEC Chair, I bring commitment and dedication to advancing the goals of my members and their companies. I believe that the success of a business starts with recognizing the areas with the potential for growth. As a result, I am committed to helping my members recognize these opportunities and take their companies to a level beyond what they initially thought was possible.

On a personal note, I am proud to call Saskatchewan my home, having been born and raised here. Beyond my professional life, I enjoy playing the piano and maintaining both a backyard garden and a 20-acre Saskatoon berry orchard. You might also catch my voice as a Business Commentator on Rawlco Radio, heard daily on 15 Saskatchewan radio stations. I have also served as the Former Board Chair of the Regina Regional Economic Development Authority.

My TEC Group Vision

I strive to bring together a diverse assembly of successful business leaders whose trust and respect for one another leads to frank conversations, unvarnished guidance and advice.
