

## Fast-track your business growth

*Your resources are stretched, competition is fierce and there are new challenges everyday. TEC Small Business will connect you with a peer network dedicated to your success, personally and professionally. Learn how to face complex issues and be strategic about the decisions that will drive your business forward.*

TEC's Small Business group is designed for results-driven leaders striving to create an impact in their business, their life and their community.

### What you can expect from TEC Small Business:

- » Connect with a network of like-minded small business owners who understand your specific challenges and will keep you accountable to your goals
- » Improve your work-life balance
- » Step out of the day-to-day operations to focus on the critical decisions that will lead to long-term, sustainable growth
- » Refine your vision and strategic plan to push past barriers, grow your business and expand into new markets

### You will have access to:

- » Confidential group meetings with a peer advisory board of 10 – 14 small business owners
- » Personal one-to-one executive coaching sessions with a trusted mentor
- » Thought leadership from expert speakers and online MBA-calibre resources
- » Global network of over 28,000 members worldwide that are committed to business growth and personal development
